# About Us.

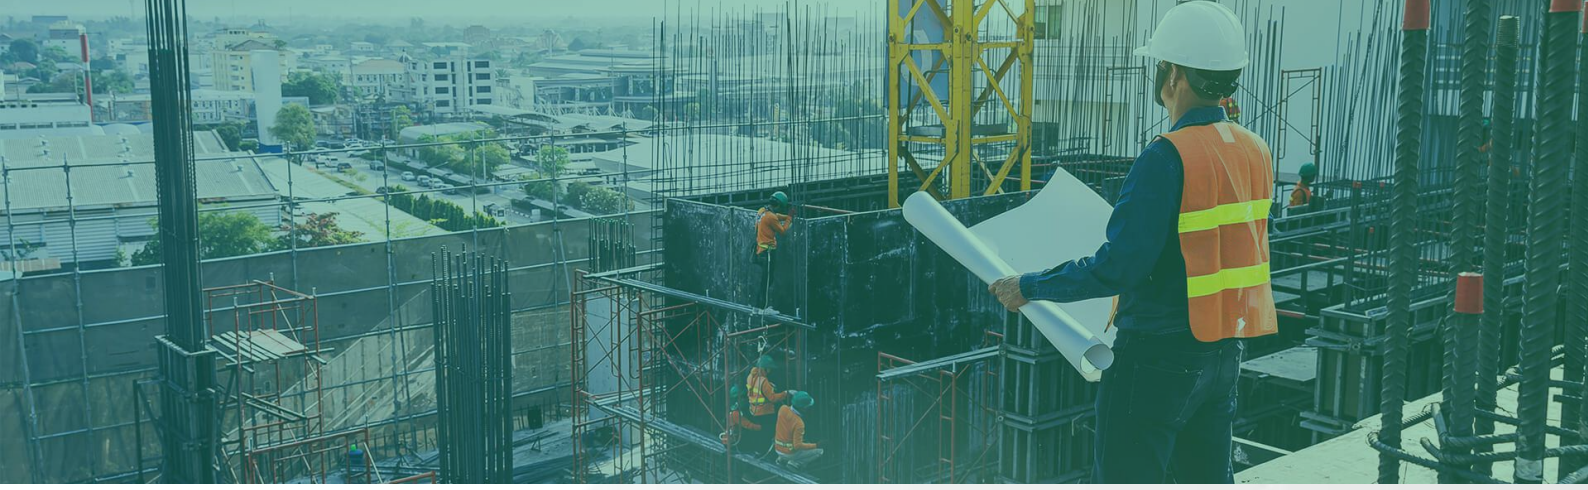

## Introduction

SME is a Saudi-owned enterprise specializing in trading, contracting, logistics, and rental services. Since our establishment, we have committed ourselves to providing comprehensive support services that meet international standards. We cater to a wide range of clients including construction companies, oil & gas projects, industrial plants, and public infrastructure developments.

Our company is built on the values of integrity, service excellence, and long-term partnerships. With a strong leadership team and experienced workforce, SME delivers timely, safe, and cost-effective solutions that contribute to the success of our clients and the vision of a prosperous Saudi Arabia.

# Mission & Vision.

## MISSION

Our mission is to support national development and meet the growing demands of the Kingdom's infrastructure and industrial sectors with quality, safety, and professionalism.

## VISION

As part of the **Kingdom's ambitious Vision 2030**, SME is committed to contributing to the transformation and modernization of Saudi Arabia's infrastructure, economy, and workforce.
